

STUDENT TRAVEL GRANTS

TO ATTEND SCIENTIFIC CONFERENCES IN SOUTH ASIA

The Professor Faheem Hussain Student Conference Program provides funds for South Asian physics students to present a paper or poster at a scientific conference in South Asia. Any physics topic is eligible, and applications are accepted at any time.

Share your research with international colleagues

Gain valuable experience presenting your work

Benefit from professional conference activities

Eligibility Requirements:

- ▷ Undergraduate or graduate student in physics, applied physics or astronomy
- ▷ Author or co-author of a paper or poster accepted to a conference in South Asia
- ▷ The conference must be in a different country than your university or citizenship
